Jeff,

Here is the Dec 19 draft I sent you earlier this week with track changes for Section 11 (Earle's edits). I have renamed the document Dec 21 with Track Changes. There are a couple of additional track changes I made (minor).

Please have Heather incorporate these changes.

I am working on Earle's edits to the Discussion section now and will send to you. I think it would be best if Heather just cuts and pastes it into the Master version.

Talk at 3 pm.
